

Exchange Students

Master in Management – M1 Year

Credit transfer only :

Students can study one semester (either semester one or two) or the academic year.

Some courses have pre-requisites. Please check that you have these pre-requisites before registering in the program.

The program is taught all in English, with the possibility to take some courses in French. Students will choose the language of instruction before the beginning of the classes. TU = Teaching Unit. **It is compulsory to take all the courses of a teaching unit.**
